The 14th Apparition on Tuesday 2/05/2013 @ 2:45 A.M. (The 128th Message)

The Visionary (V) was praying in front of the Icon of the Virgin Mary , when a bright light shone in the room and a small sun-like hallow of light appeared at the left side of where the Icon is situated . The hallow of light kept expanding until the Virgin Mary emerged and stood at about two feet above the floor in front of the Icon . She was wearing a white and blue dress .

The V knelt in front of the Virgin and said , “ O Virgin , is that you ? ”

The Virgin Mary said , “ My esteemed daughter , the people of this earth are not a righteous and holy people . I said and repeat that my heart is aching and suffering . ”

The V responded , “ May my heart ache and suffer and not Your heart . ”

The Virgin continued “ I ask and beseech this people to come to my Son . Eternal life is not on this earth . Eternal life is in the Kingdom of Heaven ; life that has no end . ” And with a passionate tone , the Virgin Mary said “ Come..Come..Come and return to the faith . My daughter, regarding what happened in your house (see note) , have I not told you that the Holy Spirit is with you and I am with you and a guardian angel is with you . My esteemed daughter, do not trouble your heart and busy your mind with things that are originating from the evil one . I am saying and will say that I am with you and with those who are around you . The days of salvation are getting closer .. closer .. closer . ” The light began to dim and the Virgin Mary disappeared .

Note : On Monday , the day before this apparition , Fr. L , an Orthodox priest , visited the V with about twenty people from his church . While shaking the hand of one of the women in the group, the V felt as if nails were driven into her hands . While the people were praying , the V was unable to pray with them and continued to feel the nails in her hands and heart . She then felt as if something was sitting on her chest and choking her . The V's face turned blue and Fr. L hurried to her side and asked the people to leave. He then blessed the house with Holy Water . After that the V felt better, but discovered that one of the women used the bathroom without asking for permission . The woman left the toilet without flushing it and scattered many black threads all over the floor, indicating a witchcraft of sorts . It was found out that one of the women who came with Fr. L is a witch . This incident is what the Virgin Mary was alluding to when She appeared to the V the next day .

My daughter , my Son is watching many of His brothers and His children who are perishing and falling like snow flakes into sin and eternal death . For those who claim to be fasting , fasting is meant to cleanse your hearts. This is the true fasting . Those who claim to be fasting , why are they fasting while their hearts are blackened like the fire of hell ?

When I say follow my Son , (I mean to say) transform your bodies and minds and carry His

cross and follow Him . These are days of big difficulties , problems and sufferings for my Son . Whoever wishes to return to my Son , the days to return are now .”

“ My children , I beseech you in these days , during which my Son carried His cross , to return and help Him in carrying His cross .”

Have I not said that I am with you and with all the people who are around

You ? My daughter , These people have stopped searching for my Son and His

Father . My Son is feeling as if He is surrounded by wars from every side . Is not my Son calling them to come closer to Him rather than going after the evil one ? I have covered you with the mantle of love . Come and pray..pray..pray and return to my Son .”

“ Many people will perish and face eternal damnation . How the heart of my meek Son is experiencing pain and suffering because of the refusal of these people to return to Him . O people , return and pray and do works of penance.”

“ I am begging and pleading with you to return to my Son . I ask you to pray the rosary..rosary..rosary . Whoever prays the rosary will receive many blessings . The praying of the rosary is something significant and powerful to me and to my Son . With the rosary that you pray , you will receive salvation . The rosary prayer saves many souls .”

The Heavenly Father will send upon this people sufferings and calamities that are more severe than the flood . He will send fire from Heaven . Many people will perish during this calamity, including priests and believing people . There will not be too many people left on this earth , except the unbelievers , who will ask God for death , since they will experience great sufferings .

Those who remain on the earth will experience immense difficulties . Prayer..Prayer..Prayer. O people , pray for the pope and the priests . Many of them are not believing in the coming of my Son . Many people are falling into the fire of hell ; there is no one to pray for them .

“ I ask from all the people to pray for the souls in Purgatory and for themselves and for their relatives . What does it profit anyone to claim that he is a Christian ? Whoever is a Christian must hold unto and follow the path of

God . Many people pray by just moving their lips . Your prayer must originate from the depth of the heart in order to reach my Son and His Father . Pray..Pray..Pray not only during difficult times but also during happy times .”

My heart is burning for my Son for the suffering and frustration which He is bearing for this people . Every person who hears and sees something must not speak behind the back of another person . He should rather face him and speak like my Son did . What is happening (bad mouthing the V) is because of the evil which is in the world.

Have I not said that there are many priests and bishops who don't believe in my Son and His coming ? My esteemed daughter , the thing which is happening in your house is there by His Will . When I say keep me in my place , I have a purpose . ” The V asked , “ To where shall I take you O Virgin ” ? The Virgin Mary said , “ The Holy Church would have used this for earthly purposes which are meant to remain here . ” The Virgin Mary continued and said :

“ Tell the woman who spoke (About the V) , are you not asking every day the Virgin Mary to help you ? Where is your faith ? All of this thing is from the evil one . ”

“ Tell C that his mother is safe . Pray for her and pray for those who have no one to pray for them . Tell priest A , have I not told you that you will experience problems and difficulties , but in all of them I will be with you ? ”

“ My esteemed daughter , have I not told you that this thing is by His Will ? Have the people not seen what happened at Fatima and Lourdes ? Do not trouble yourself ; all these things are painful , but I am with you and with those who are around you . ”

; with prayers the gates of Heaven will open . like the parable , knock and it shall be open to you ; ask and you shall receive . With prayers you will receive many graces . Return O my children . Come and pray for the youth so that they can understand the meaning of faith and love . Pray so that they will be under my protection . Pray for an end to the wars in the world. Many people who are unable to pray should designate a certain time and hour even while they are at work . ”

He is among you . Why are you distancing Him from you ? Come close to my Son . Many people are treating this matter sarcastically . Many people are making fun of this matter .”

“ If you hold onto my Son during the days of salvation , you will witness things which you have not seen on this earth . Do not alter what you are doing and what you are following . I will be your helper and the helper of those who are with you . Like I said , this thing (The miracle of the holy oil) is by His will , and the thing which they are doing (Regarding this miracle) is not caused by them (The V was thinking to herself , what does the Virgin Mary mean ?). The Virgin Mary answered her thoughts and said , ‘ The leaders of the Holy Church ’ .”

Fill your hearts with happiness . Happiness is for salvation ; happiness is for faith ; happiness is for healing . Happiness , happiness , happiness is for every light that is shining from the light of the Sun .”

Enough , my children ; wake up , wake up , wake up so that my Son will be able to come . How is my Son to come to this earth and many of you are distant from Him ?

He does not want to see you perish .”

This is eternal life , unlike the life of this earth which is filled with things that are going to remain on this earth .”

The 143rd Message on Wednesday 7/10/2013 @ 2:50 A.M.

The day before , on Tuesday 7/9/2013 , There were people praying at the V’s house . Fr. Bernard Owens was there also . After the prayers the olive wood statue of the Virgin Mary and the Icon of our Lady of the Cape and the Picture of the suffering Jesus (All encased) began to weep . The tears were glowing (they were different than the oil that was oozing) and all who were there saw this miracle . The tears were projected at the outside of the front surfaces of the three enclosures where these sacramentals are kept . The tears were apparent opposite the eyes of Jesus and Mary .

The following day , Wednesday 7/10/2013 @ 2:50 A.M. , while the V was praying in her room , she heard a buzz in her ears and went and knelt in front of the Icon .

She asked : “ Was that you , O Virgin ? ”

The Virgin Mary answered , “ These tears are tears for this world” (The Virgin Mary is referring to what happened the day before during the prayer , when tears started coming out of the eyes of the statue and pictures of Jesus and Mary) .

The Virgin Mary continued , “ Have I not been saying that my heart is burning for these people who are my children ? I can not bear any longer to see my Son agonizing and bearing a great sorrow . Have I not been calling and begging from these people ? All of you were made from dirt and into dirt you shall return. You are not going to take anything with you . My heart is broken and is burning for you to return to my Son , because the days are getting closer and He will not be able to save many people (Those who persist in rejecting Him to the very end). The thing that took place here (Mass and prayers) are blessings and graces of my Son for those who were here .”

difficulties has arrived . Return to my Son . My Son is with you , don't be afraid . My Son is filled with love . Come and return to my Son . He is a Righteous Person ; He is a Righteous God . He can not and will not forsake you . My children , He is with you ; He is with you to help you and bless you . He is accompanying you ; this thing is the priceless blessing of your life . “ My esteemed daughter , your pains and sufferings are increasing . You are saving many souls with these sufferings. My children, my Son is coming for the salvation of this world. Every human being will see Jesus in a manner that is in accordance with one's disposition towards Him. Every human being will be punished according to his deeds .The Vision of my Son will be in a different manner. It will be neither in the manner that He is seen in the Holy Church nor in the manner that His disciples saw Him.

He will give strength to every person that is weak. And every person that is lonely will have my Son as his friend. He is a true Friend. He is the Savior. Be aware of my Son's presence. My Son is Help, Peace and Happiness, these are here, with my Son. You will know what is the cause of the difficulties of this time. You will realize that this thing is not due to my Son's cruelty. It is rather something that is intended to bring you closer to my Son.

All your prayers are answered by my Son, but sometimes many of these answers include bitterness and sadness that are meant for the good of humanity. Your happiness in this world will come to an end, it does not satisfy you. But the great happiness is in the Kingdom of Heaven which has no end.”

The Light dimmed and the Blessed Mother disappeared.

The Virgin Mary said: “My esteemed daughter, why are these people happy with the celebrations of the assumption of the Virgin Mary into Heaven ? Their happiness should be in the cleansing of their souls which should embrace peace and love.

My Son came for peace, but there is no more peace, love and happiness in this world. My children, I am no more able to look at my Son, because of the extensive sorrow of His Heart. He is heavy hearted because of this world. My children, come back and establish peace and love among yourselves so that my Son is able to come.”

My daughter , this world is going to see tribulations and sufferings , tribulations and sufferings , tribulations and sufferings that are so great, great , great that no human being will be able to endure. My Son is bearing many sufferings, but the people are not awakening and returning to my Son. These sufferings are going to be something Big. My Son will not be able to help and save many people. (Those who continue to turn their backs on Him and persist in rejecting His hand of mercy to the very end).”

The 25th Apparition on Friday 9/13/2013 @ 4:05 A.M. (The 148th message)

The Virgin Mary spoke to the V, who was kneeling in front of Her, and gave her the following message:

“My esteemed daughter, when will this people awake? My children, come and call upon the Name of my Son Jesus, Jesus, Jesus. This is the Name by which you triumph. You will triumph by the Name of my Son.

Call upon the Name of Jesus, not as one who begs in a lowly manner; rather call upon His Name as your friend. Call upon His Name. He is the Savior of this people from their sins; sins that involve everything pertaining to doubts, fears, anger, depression , impatience and lack of love , sins that involve big and small matters .

He saves His people and His brothers from their sins. Call upon His Name. He will elevate souls. He will bestow safety and peace. He will save all these people from sin. He is the Savior. He is a Friend. He is Peace and Love. There is no other name that can save you. Call upon my Son during the hours and the times of your sufferings, the time of salvation.

You have no idea about the extent of the pain and bitterness of the Heart of my Son. He is in pain and suffering because of the hardships of this people. How great is His agony for the hearts of

this world that are engulfed in sufferings and difficulties. How great is the sorrow of His Heart for the salvation of the souls of this world.

Come, you believers, and prepare the others, prepare the souls that are not following Him, bring them closer to my Son. My Son is the Fountain of Happiness and the Source of the peace of the heart.”

Knowing her thoughts, the Virgin Mary told her “Listen listening, have I not told you not to write?” The V said within herself “Sorry my mother “.

The Virgin Mary spoke to the V and gave her the following message: “My esteemed daughter, have I not been saying and calling and showing Myself to this world? Days of tribulations are coming upon this world. Wars will break among nations and floods will come upon this world. Many young children, flowers and perfumes that they are, along with many people will perish by this thing which is going to happen.

Many countries will use nuclear weapons. But the young children and the people that are going to perish will be saved by my Son. The Kingdom of Heaven is mourning over this thing. Come and return and wake up from this deep sleep.”
