

**Encounter no. 168 (Apparition no. 32) on Monday 6/2/2014 @ 2:00 A.M.**

The Visionary moved to another house, and brought the Icon of the Virgin Mary (Our Lady of the Cape) along with the other sacramentals, and placed them temporarily, on a table in the family room, until a permanent place is prepared for them, to be displayed for the faithful to observe and believe.

The Visionary was in her room, when she noticed a display of lights, which is the sign that the Virgin Mary will appear.

She went into the room where the Sacramentals were kept, and there she saw the Blessed Virgin Mary smiling and standing above the floor, in the corner of the room , next to the Sacramentals . The room was flooded with light, as is the case whenever the Virgin Mary appears.

The Visionary made the sign of the cross three times and said“ O Virgin my Mother, you came to observe your place.”

The Virgin Mary did not answer.

The light dimmed and the Blessed Mother disappeared.

\*\* The Virgin Mary had told the Visionary earlier, in message no. 55 on 11/15/2009, that the Visionary will place Her Icon of ' Our Lady of the Cape', in a larger place. This prediction by the Blessed Mother has been realized, and the Icon and the other Sacramentals are now placed in a large and a more suitable place.
