The Visionary was praying, and expressed her concern to the Blessed Mother, that the Virgin's 'blessing' will be removed from her house, because she had moved to another larger place. She said to the Virgin Mary: "O Virgin, how am I going to leave from here (the original house), least your Blessing depart from me?"

The Virgin Mary replied: "My esteemed daughter, I am glad that you did what I desired. The Blessing is the same Blessing. Have I not told you to place Me in a bigger place?"

The Graces of my Son and His Father are with you and with everyone who is with you, and with the one who brought this thing about."
