

**Message No. 172 (Apparition No. 34), on Friday 7/4/2014 @ 3:15 A.M.**

The Visionary (V) was praying in front of the Icon, when the display of lights started and illuminated the room, signaling the appearance of the Blessed Virgin Mary. The usual halo of light then appeared at the upper right corner of the cabinet, where the Icon and the other Sacra mantels are kept.

The halo of light continued to expand until the Virgin Mary emerged from the light. She stood at about two feet above the floor and was dressed with her classic blue and white attire.

In the meantime the V was kneeling in front of the Blessed Mother, and with tearful eyes was praying within herself, 'O Virgin relieve this world, Iraq and the other countries and everyone who is experiencing difficulty. All our Christians are fleeing, they are being persecuted by the Muslims'.

The Virgin Mary spoke and said: "My esteemed daughter, why has anxiety befell you? Where are these people who are following after my Son? My Son is anxious and is bleeding for the salvation of this world.

Have I not been saying, return, return, return to my Son?

THE TIME AND THE HOUR HAVE ARRIVED. THESE DAYS ARE GETTING CLOSER! When will you return?

You will be experiencing days and difficulties that are more serious than these. YOU WILL EXPERIENCE DARKNESS AND HUNGER, AND THERE WILL BE NO WATER AVAILABLE FOR YOU TO DRINK.

The people will then begin to call upon my Son and The Heavenly Father, but THE TIME WOULD HAVE PASSED!

I am asking and begging and calling upon you to return (to Jesus). The things of this earth will be staying on this earth. The happiness of this people is not upon this earth. Your happiness is with my Son and His Father. This people are guests upon this earth.

Where is the love of this people? There is no father left that cares for his son and no brother for his brother and no brother for his sister. My children, I ask and beseech, beseech, beseech you to return (to Jesus).

I repeat what I have already said, that the things of here (earth) will be staying here. The human being will not be taking anything with him, not even a speck!

Many people say that there is no Heaven and no Hell. There is Heaven and there is a fire of Hell. Do not think of these things, think of how to return to my Son."

The Light slowly dimmed and the Blessed Mother disappeared. This marks the third apparition of the Blessed Virgin Mary, at the V's new place.
